

ESTADO DE SERGIPE
PREFEITURA MUNICIPAL DE SIMÃO DIAS

JUSTIFICATIVA

A SECRETARIA MUNICIPAL DE ADMINISTRAÇÃO, PLANEJAMENTO E ORÇAMENTO, ATRAVÉS DO SECRETÁRIO O SR. CLAUDIANO SOARES DE SANTANA, vem justificar o caráter de dispensa de licitação para a PRESTAÇÃO DE SERVIÇOS DE FORNECIMENTO DE BUFFET PARA PROMOÇÃO DE DIVERSOS EVENTOS, REUNIÕES E ENCONTROS DE SERVIDORES DA PREFEITURA MUNICIPAL DE SIMÃO DIAS- SE, que celebram entre si a PREFEITURA MUNICIPAL DE SIMÃO DIAS e a empresa SDSERV PRESTADORA DE SERVIÇOS EIRELI - ME, em conformidade com o Art. 24, inciso II da Lei nº 8.666/93, e de acordo com os motivos adiante expostos:

Após pesquisa de preços realizada no mercado de nosso município e região, conforme consta em anexo nos autos do processo, fora levantado os custos para aquilo que a Secretaria de ADMINISTRAÇÃO, PLANEJAMENTO E ORÇAMENTO pretendia realizar, diante das necessidades municipais, se constatou que valor proposto no menor orçamento se enquadrava no disposto no art. 23, inciso I, alínea "a" e no art. 24, inciso II, da Lei nº. 8.666/93, alterado pelo Decreto Presidencial 9.412 de 18 de junho de 2018, referindo-se à dispensa de licitação para contratação de aquisições e serviços comuns, com pequena relevância econômica, diante da onerosidade de uma licitação.

O art. 24, II, da Lei nº. 8.666, de 21 de junho de 1993, alterada pelo Decreto 9.412 de 18 de junho de 2018, dispõe que é DISPENSÁVEL a licitação quando o valor para outros serviços e compras (exceto engenharia) for de até 10% (dez por cento) do valor estipulado no art. 23, II, "a", R\$ 17.600,00.

"Art. 24. É dispensável a licitação:

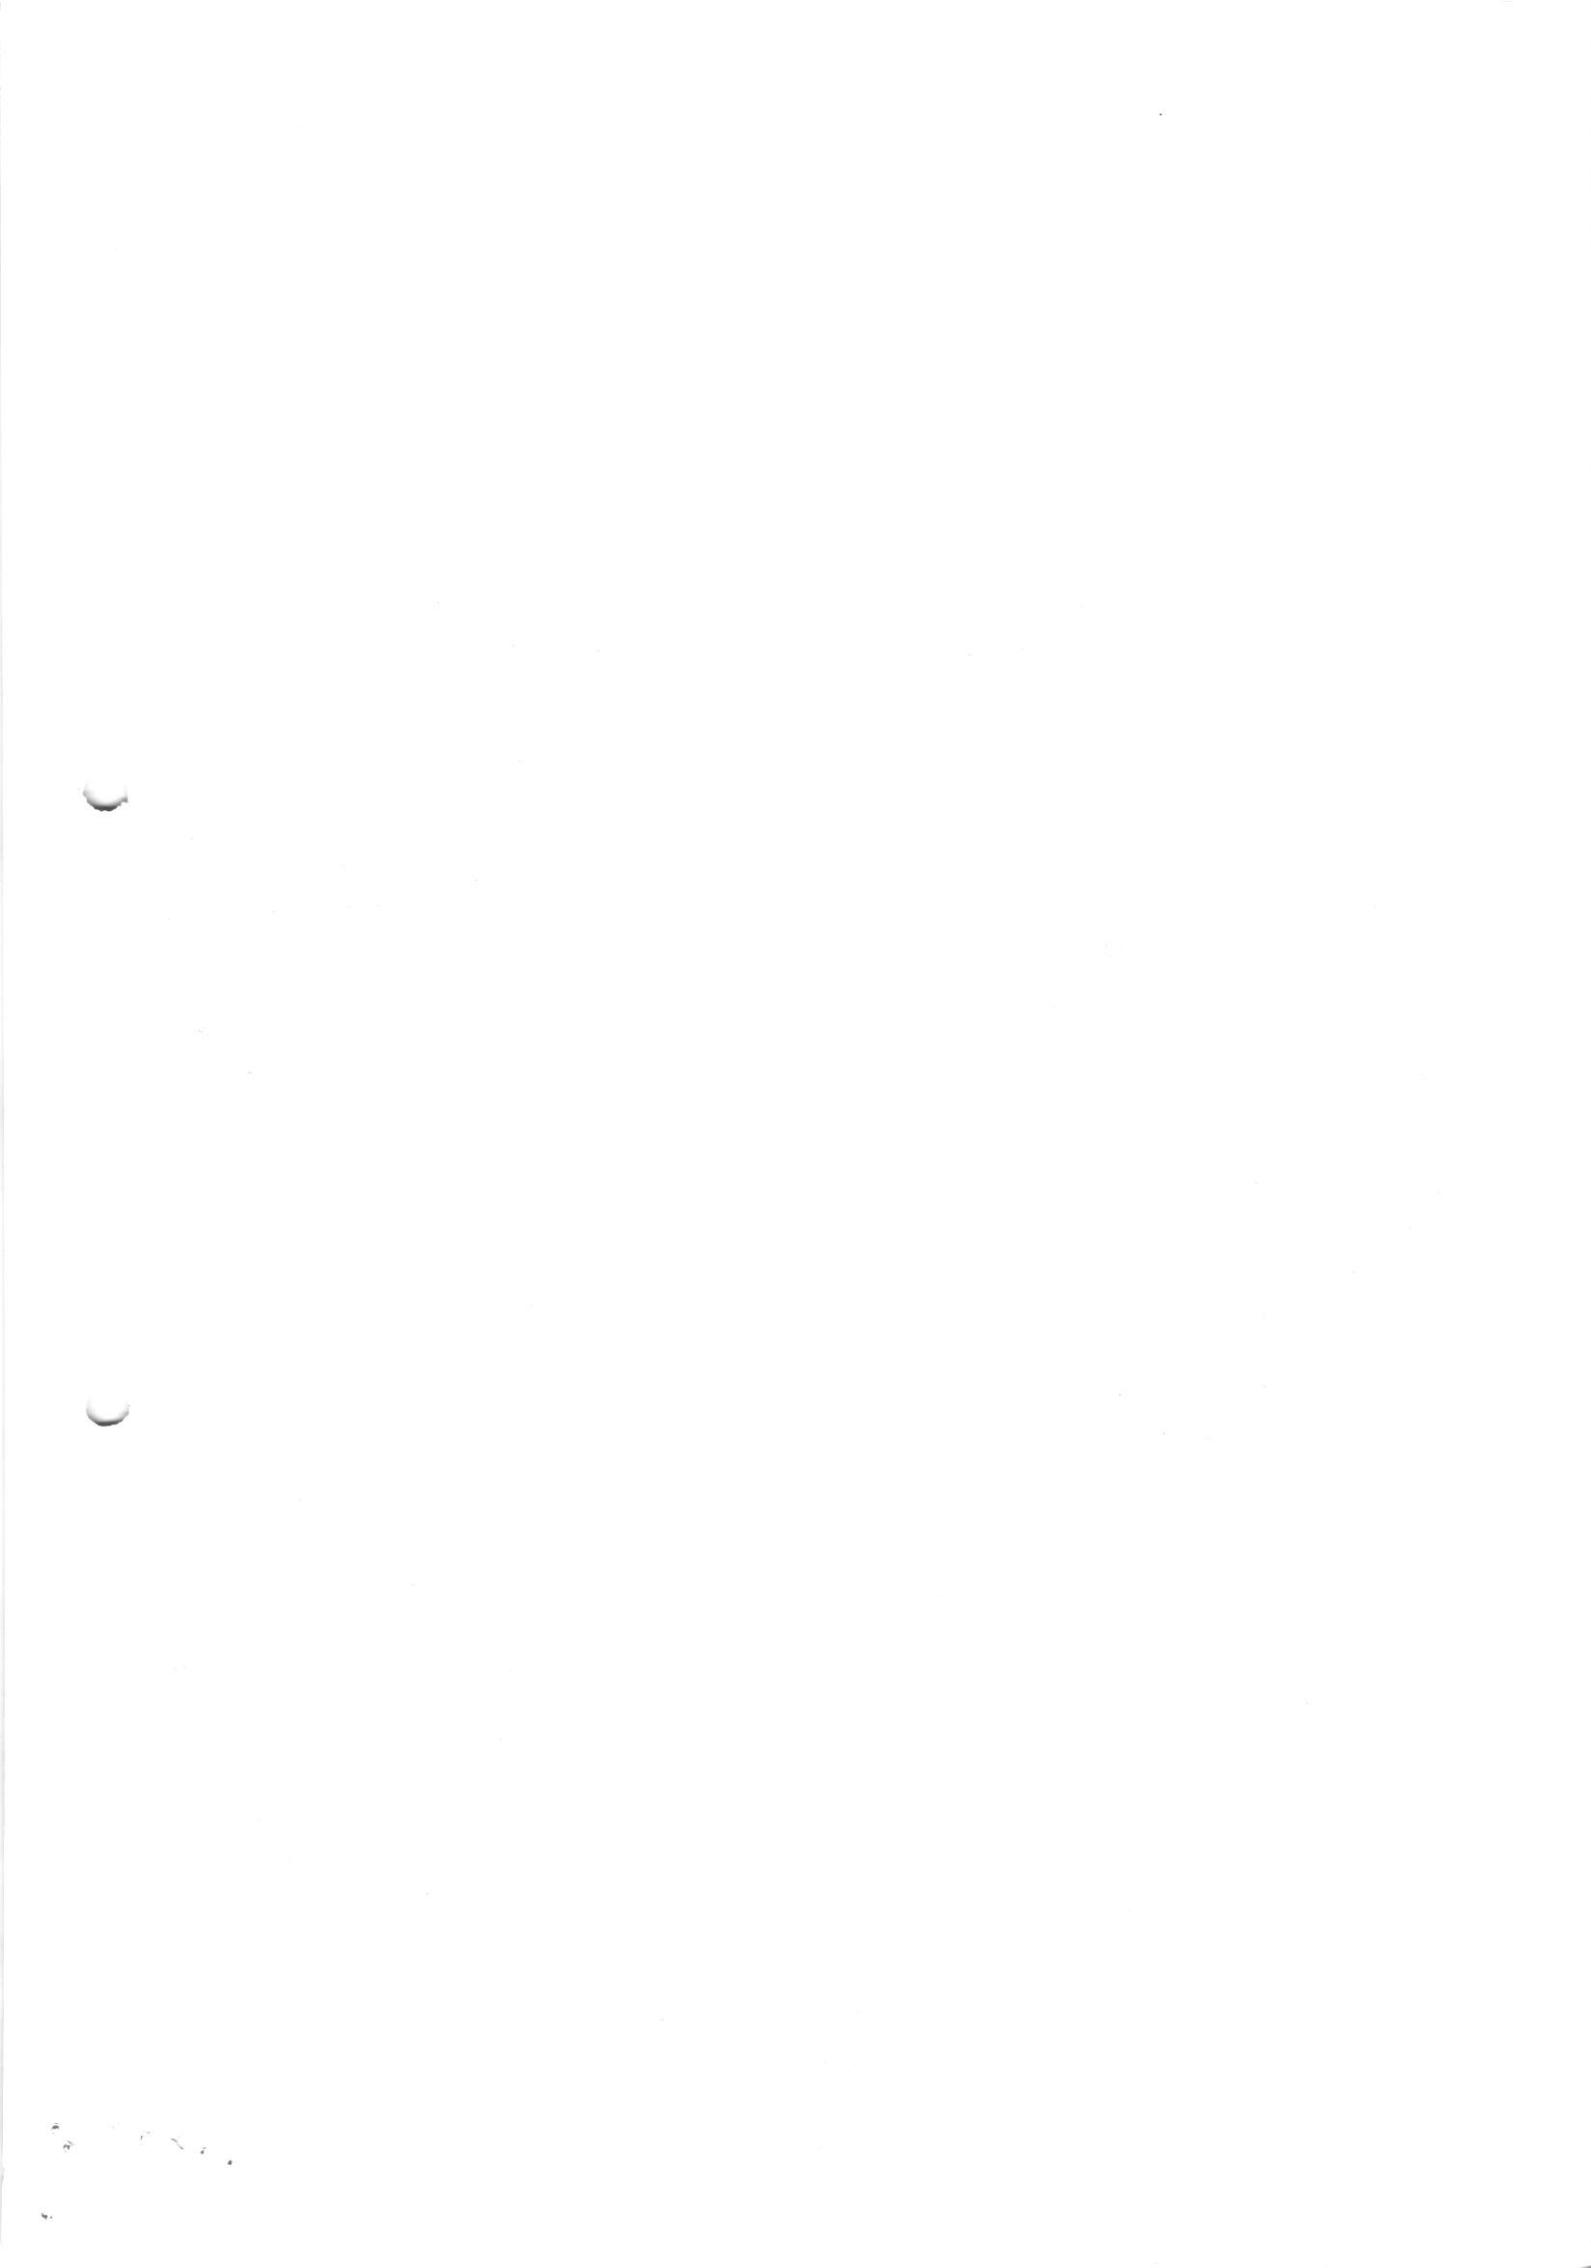

(...)

I – Para outros serviços e compras de valor até 10% (dez por cento) do limite previsto na alínea "a", do inciso II do artigo anterior e para alienações, nos casos previstos nesta Lei, desde que não se refiram a parcelas de um mesmo serviço, compra ou alienação de maior vulto que possa ser realizada de uma só vez"

"Art. 23. As modalidades de licitação a que se referem os incisos I a III do artigo anterior serão determinadas em função dos seguintes limites*, tendo em vista o valor estimado da contratação:

II – Para compras e serviços não referidos no inciso anterior:
a) convite – até R\$ 176.000,00 (cento e setenta e seis mil reais);"

Carla

ESTADO DE SERGIPE
PREFEITURA MUNICIPAL DE SIMÃO DIAS

A contratação referida traz um valor abaixo do estimado nos artigos supra citados sendo inferior aos 10% (dez por cento) do referido valor. A menor proposta perfaz um valor de R\$ 16.960,00(dezesseis mil novecentos e sessenta reais).

Nota-se que o valor da contratação é inferior ao limite determinado para dispensa de licitação para contratação de outros serviços e compras, e que um processo licitatório seria muito mais oneroso para a Administração Pública Municipal.

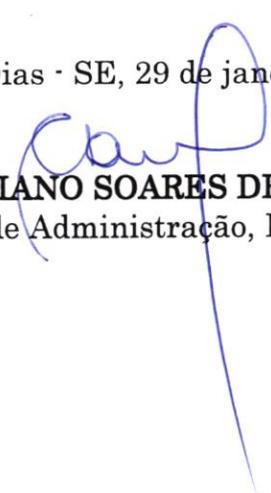

Nas palavras do doutor Marçal Justen Filho (2004, p. 236)!

"A pequena relevância econômica da contratação não justifica gastos com uma licitação comum. A distinção legislativa entre concorrência, tomada de preços e convite se filia não só à dimensão econômica do contrato. A lei determinou que as formalidades prévias deverão ser proporcionais às peculiaridades do interesse e da necessidade pública. Por isso, tanto mais simples serão as formalidades e mais rápido o procedimento licitatório, quanto menor for o valor a ser despendido pela Administração Pública."

A lei autoriza a contratação direta quando o valor envolvido for de pequena relevância econômica para se iniciar um processo licitatório.

Assim sendo, atendido o disposto nos artigos 23, inciso II, alínea "a", e 24, inciso II, da Lei nº 8.666/93, e de forma a cumprir o disposto no art. 26 da mesma lei, apresentamos a presente Justificativa para ratificação do processo de Dispensa pretendido.

Simão Dias - SE, 29 de janeiro de 2021.

CLAUDIANO SOARES DE SANTANA
Secretário Municipal de Administração, Planejamento e Orçamento

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes the need for transparency and accountability in financial reporting.

2. The second part of the document outlines the various methods and techniques used to collect and analyze data. It highlights the importance of using reliable sources and ensuring the accuracy of the information gathered.

3. The third part of the document focuses on the interpretation and analysis of the collected data. It discusses the various statistical tools and techniques used to identify trends and patterns in the data.

4. The fourth part of the document discusses the importance of communication and reporting. It emphasizes the need for clear and concise communication of the findings and conclusions of the study.

5. The fifth part of the document discusses the importance of ethical considerations in research. It highlights the need for researchers to adhere to ethical guidelines and ensure the integrity of the research process.

6. The sixth part of the document discusses the importance of ongoing evaluation and improvement. It emphasizes the need for researchers to regularly assess the quality of their work and make necessary adjustments to improve their research.

7. The seventh part of the document discusses the importance of collaboration and teamwork. It highlights the benefits of working with others and sharing knowledge and resources to advance the field of research.

8. The eighth part of the document discusses the importance of staying current in the field. It emphasizes the need for researchers to keep up with the latest developments and trends in their area of study.

9. The ninth part of the document discusses the importance of maintaining a strong professional reputation. It highlights the need for researchers to be honest, ethical, and transparent in their work.

10. The tenth part of the document discusses the importance of contributing to the field. It emphasizes the need for researchers to share their findings and knowledge with the broader community and to actively participate in the advancement of their field.

11. The eleventh part of the document discusses the importance of seeking feedback and criticism. It highlights the benefits of receiving input from others and using it to improve one's work.

12. The twelfth part of the document discusses the importance of maintaining a positive attitude and resilience. It emphasizes the need for researchers to stay motivated and persevere through challenges and setbacks.

13. The thirteenth part of the document discusses the importance of staying organized and efficient. It highlights the benefits of using time effectively and managing resources wisely.

14. The fourteenth part of the document discusses the importance of staying focused and committed. It emphasizes the need for researchers to stay dedicated to their work and to avoid distractions.

15. The fifteenth part of the document discusses the importance of staying curious and open-minded. It highlights the benefits of exploring new ideas and perspectives and being willing to challenge one's own assumptions.

16. The sixteenth part of the document discusses the importance of staying motivated and inspired. It emphasizes the need for researchers to find meaning and purpose in their work and to seek out opportunities for growth and learning.

17. The seventeenth part of the document discusses the importance of staying healthy and well. It highlights the benefits of taking care of one's physical and mental health and of maintaining a balanced lifestyle.

18. The eighteenth part of the document discusses the importance of staying connected and engaged. It emphasizes the need for researchers to stay involved in their field and to build a strong network of colleagues and mentors.

19. The nineteenth part of the document discusses the importance of staying flexible and adaptable. It highlights the benefits of being able to adjust to changing circumstances and to embrace new opportunities.

20. The twentieth part of the document discusses the importance of staying positive and optimistic. It emphasizes the need for researchers to maintain a hopeful outlook and to believe in their ability to achieve their goals.

21. The twenty-first part of the document discusses the importance of staying curious and open-minded. It highlights the benefits of exploring new ideas and perspectives and being willing to challenge one's own assumptions.

22. The twenty-second part of the document discusses the importance of staying motivated and inspired. It emphasizes the need for researchers to find meaning and purpose in their work and to seek out opportunities for growth and learning.

23. The twenty-third part of the document discusses the importance of staying healthy and well. It highlights the benefits of taking care of one's physical and mental health and of maintaining a balanced lifestyle.

24. The twenty-fourth part of the document discusses the importance of staying connected and engaged. It emphasizes the need for researchers to stay involved in their field and to build a strong network of colleagues and mentors.

25. The twenty-fifth part of the document discusses the importance of staying flexible and adaptable. It highlights the benefits of being able to adjust to changing circumstances and to embrace new opportunities.

26. The twenty-sixth part of the document discusses the importance of staying positive and optimistic. It emphasizes the need for researchers to maintain a hopeful outlook and to believe in their ability to achieve their goals.

27. The twenty-seventh part of the document discusses the importance of staying curious and open-minded. It highlights the benefits of exploring new ideas and perspectives and being willing to challenge one's own assumptions.

28. The twenty-eighth part of the document discusses the importance of staying motivated and inspired. It emphasizes the need for researchers to find meaning and purpose in their work and to seek out opportunities for growth and learning.

29. The twenty-ninth part of the document discusses the importance of staying healthy and well. It highlights the benefits of taking care of one's physical and mental health and of maintaining a balanced lifestyle.

30. The thirtieth part of the document discusses the importance of staying connected and engaged. It emphasizes the need for researchers to stay involved in their field and to build a strong network of colleagues and mentors.

31. The thirty-first part of the document discusses the importance of staying flexible and adaptable. It highlights the benefits of being able to adjust to changing circumstances and to embrace new opportunities.

32. The thirty-second part of the document discusses the importance of staying positive and optimistic. It emphasizes the need for researchers to maintain a hopeful outlook and to believe in their ability to achieve their goals.

33. The thirty-third part of the document discusses the importance of staying curious and open-minded. It highlights the benefits of exploring new ideas and perspectives and being willing to challenge one's own assumptions.

34. The thirty-fourth part of the document discusses the importance of staying motivated and inspired. It emphasizes the need for researchers to find meaning and purpose in their work and to seek out opportunities for growth and learning.

35. The thirty-fifth part of the document discusses the importance of staying healthy and well. It highlights the benefits of taking care of one's physical and mental health and of maintaining a balanced lifestyle.

36. The thirty-sixth part of the document discusses the importance of staying connected and engaged. It emphasizes the need for researchers to stay involved in their field and to build a strong network of colleagues and mentors.

37. The thirty-seventh part of the document discusses the importance of staying flexible and adaptable. It highlights the benefits of being able to adjust to changing circumstances and to embrace new opportunities.

38. The thirty-eighth part of the document discusses the importance of staying positive and optimistic. It emphasizes the need for researchers to maintain a hopeful outlook and to believe in their ability to achieve their goals.

39. The thirty-ninth part of the document discusses the importance of staying curious and open-minded. It highlights the benefits of exploring new ideas and perspectives and being willing to challenge one's own assumptions.

40. The fortieth part of the document discusses the importance of staying motivated and inspired. It emphasizes the need for researchers to find meaning and purpose in their work and to seek out opportunities for growth and learning.
